Hosa Pro Series Cables

Hosa Pro Series Cables are engineered to deliver years of rock-solid reliability. Combining REAN® connectors by Neutrik AG with world-class manufacturing techniques, they redefine what performance and value are all about.

Hosa Pro Stereo Breakouts

- REAN connectors for improved signal transfer and durability
- 24 AWG Oxygen-Free Copper (OFC) conductors for enhanced signal clarity
- 90% OFC spiral shields for a higher signal to noise ratio

Connectors

While most other cables in their price range use cost-cutting, molded connectors, Hosa Pro stereo breakouts feature REAN connectors by Neutrik AG, the industry leader in connectivity solutions. Features include:

- Silver-plated contacts for exceptional signal transfer (XLR connector only)
- Nickel-plated plugs for efficient signal transfer and superior durability (except XLR connector)
- Zinc die-cast housing for rock-solid reliability
- Attractive quadrangle design for ergonomic handling
- Chuck-type strain relief for maximum cable retention (except 3.5 mm connector)
- Rubber boot kink protection for long cable life
